PRISONER RAPE ELIMINATION ACT (PREA) GUIDELINES

The Christian County Jail has a zero tolerance policy for staff sexual misconduct with inmates-meaning that all allegations are reported and investigated. False accusations will result in disciplinary actions. Agency policy defines specified prohibited behaviors between inmates and employees: and between inmates regarding sexual conduct, sexual assault, and sexual harassment. The Christian County Jail prohibits sexual contact and/or violence between offenders. Definitions included in agency policies are consistent with those used by the Bureau of Justice and relevant state criminal statutes. The Christian County Jail prohibits staff sexual harassment of offenders by employees, as well as defining what constitutes sexual harassment of offenders. The Christian County Jail is committed to investigating all allegations of offender's sexual violence and staff sexual misconduct with offenders. Medical and mental health protocols exist for inmates who allege sexual assault and/or misconduct including referral to the local sexual assault treatment center. The Christian County Jail prohibits retaliation against either an inmate or employee who report allegations of misconduct-whether the misconduct involves employees or offenders. The Christian County Jail policy governs investigations of allegations of staff sexual misconduct, and offender-offender sexual violence/abuse. The results of criminal investigations are referred for prosecutorial review, and if warranted, criminal prosecution. Notify a staff member immediately if you are the victim of a sexual assault. This can be done by submitting a request form or confiding with staff verbally.
